Re: Havish-1, aka Plazma Liquors, Site Plan Improvements
Block 172- Lot 1.03
Completion & Release of Guarantee

Dear Mayor Sammons & Committee Members,

The construction of the referenced project has been completed.

A final inspection was conducted by Federici & Akin, P.A. All work has been found to be satisfactory and in general conformance with the approved plans and approved minor changes. Accordingly, we recommend that the Township approve a resolution authorizing the release of the performance guaranty upon receipt of an acceptable Maintenance Guarantee.

The maintenance guarantee shall be equal to fifteen percent of the approved construction costs for dedicated and stormwater improvements. The maintenance bond should therefore be in the amount of $10,999.50, determined as shown in the attached estimate:

\[
\text{Construction Costs Stormwater & Dedicated items only:} \quad \$73,330.00 \\
\text{Maintenance Guarantee Amount =} \quad \$73,330.00 \times 15\% = \quad \$10,999.50
\]

The maintenance bond shall be for a period of two years and subject to the review and approval by the Township Solicitor as to form, sufficiency, and execution.

If you have any questions please contact me at your convenience.

Very truly yours,
FEDERICI & AKIN, P.A.

7. Bidder shall deposit cash, check or money order in the amount of not less than 10% of the high bid price at the time of sale. In the event the successful bidder fails to deposit 10% of the bid price at the time of the sale, the Township will re-auction the property at the same public sale. If the successful bidder fails to pay the deposit, the bidder shall be responsible for any difference between their bid and the final sale bid in the event such bid is lower than the bid of the original bidder.

8. The winning bidder shall abide by all zoning, subdivision, health and building regulations and codes and acknowledges that this sale will not be used as grounds to support any variance from or relaxation of the Township's Zoning Code.

9. The winning bidder acknowledges that failure to close title as agreed shall be cause to forfeit all funds deposited with the Township.

10. The winning bidder acknowledges that the purchase price shall not be used before any County Board of Taxation, Tax Court of New Jersey, or in any court of this State as grounds to support a challenge of the existing assessments with regard to other properties.

11. The Township reserves the right to withdraw the offer of sale of each property.

12. All sales are subject to final approval by the Township Committee.

13. The Township does not warrant or certify title to the property and in no event shall the Township of Elk be liable for any damages to the purchaser-successful bidder if title is found unmarketable for any reason and the purchaser-successful bidder waives any and all right in damages or by way of liens against the Township. The sole remedy being the right to receive a refund prior to closing of the deposit paid in the event title is found unmarketable. It shall be the obligation of the successful purchaser to examine title to the premises prior to the closing. In the event of closing and a later determination is made that title is defective, the Township shall not be responsible for the same and shall not be required to refund money or correct any defect in title or be held liable for damages.

14. Acceptance of the offer of the highest bid shall constitute a binding agreement of sale, and the purchaser shall be deemed to agree to comply with the terms and conditions of the sale herein contained.

15. The successful bidder shall bear the burden of obtaining any and all approvals from the appropriate municipal, county or government agency, if applicable. The successful bidder shall also bear the burden of obtaining and paying for any and all necessary permits, connections, and/or arrangements to provide for cable, water, electric, sewer or solid waste disposal.

16. The Township reserves the right to accept the highest responsive bid if equal to or greater than the minimum bid price, or to reject all bids at the public sale and not to award to the highest bidder. The Township reserves the right to waive any and all defects and informalities in any proposal, and to accept or reject the highest responsible and responsive bid deemed to be in the best interest of the Township.
17. This sale is made subject to such state of facts as an accurate survey may disclose, existing tenancies, rights of persons in possession, easements, conditions, covenants and restrictions and any other encumbrances of title which the Township Committee may impose on any parcel at the time of the sale, including but not limited to restrictions on the use to be made of such real property, capital improvements or personal property and any conditions of sale as buildings or structures, or as to the type, size or other specializations of buildings or structures, and the time within such conditions shall be operative, or any other conditions of sale in like manner to the same extent as by any other purchaser.
