

Elk Township Parks are wonderful places for the people of our community to come together. Whether it's a picnic on a summer day, a fall stroll on our walking path or a spring baseball game, the parks provide a place for Elk Township and surrounding area residents

The township has two parks for people to enjoy including, the Elk Township Recreation Park on Whig Lane Road (across from Aura School) and the Ina B. Hull park on Stanger Avenue. Many amenities are currently in place at our parks, however, limited funding for the park has prevented additional work from being done.

Currently there is no landscaping featured in the park. The goal of the recreation committee is to beautify the current landscape of our park facility. You could make a difference in our community by donating a bench to be placed at one of our parks. By donating a bench you will be giving something to your community that will last a lifetime! All donors will be given recognition through a permanent plaque that will be placed at the park location.

**How much is a bench sponsorship?**

The cost to sponsor a bench is \$400.

**Who can sponsor a bench?**

Anyone can sponsor a bench! It could be an individual or family. Multi-families can sponsor a bench together. Corporate and business sponsors can also participate in the program.
