### *Additional Narrative*

**Narrative Prompts:** A detailed assessment as to whether representation has improved for any previously identified underrepresented groups  
A description of the data used to determine the existence of any underrepresentation.  
Any new or modified Program goals to be implemented in the upcoming year

During this time period, we had three applications processes. Two for SLEO II and one for SLEO III. For all three of these hiring processes, we used our social media platforms for job postings along with using Police App for both job posting and candidate tracking. Because of this, we were able to reach a more diverse candidate pool. And as a result, we were able to receive candidates from underrepresented groups. We plan on continuing utilizing these platforms along with participating in a county run recruitment website to help us grow our diversity within our organization.
